Child Protection & Creating Safe Environments-Bullying is defined as any unwanted aggressive behavior by another youth or group of youths that involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated. 20% of youth ages 12-18 experience bullying. When adults respond quickly to bullying behavior, they send the message that bullying is not acceptable. There are ways parents can make a positive difference. Parents can educate themselves on the signs that a child is being bullied or is a bully. Parents should keep the lines of communication open with their child and model for their child how to treat others. Encourage your child to be inclusive be welcoming others to join their activities and groups. For more information on how to prevent bullying visit www.stopbullying.org. For additional resources visit www.eriercdorg/childprotection.
